

Professional Strength ELECTRIC MOTOR CLEANER Stock No. C-37

HELPS CLEAN & DEGREASE ELECTRICAL SYSTEMS & EQUIPMENT

Oil, dirt, grease, and moisture buildup on electrical equipment can cause problems and failures. CYCLO ELECTRIC MOTOR CLEANER is ideal for degreasing most electrical equipment without disassembling. Contains no silicones or other electrically sensitive materials that could be conductive.

- Quickly removes brake fluid, grease and oil
- Non-flammable
- Dries instantly
- Leaves no residue
- Non-conductive

PRODUCT USES:

Excellent cleaner for:

- Electrical Motors
- Solenoids
- Batteries
- Distributors
- Generators
- Alternators
- Switches
- Chargers
- Portable Tools
- Starters
- Welders
- Air Conditioners

Note: Not for sale or use in California.

PHYSICAL PROPERTIES

Size:	Net Wt 18 oz./510 g	Cases per pallet	126
Package:	Aerosol Can (w/extension tube)	Cases per layer	18
Flash Point:	None	Layers per pallet	7
Boiling Point:	250°F	Cube	0.54
Specific Gravity (H ₂ O=1):	Not applicable	Case Weight	17.5
Appearance:	Aerosol; colorless liquid	UPC (Can)	0 89269 00037 2
Solubility in Water	Nil	UPC (Carton)	1 00 89269 00037 9
