With CARNAUBA Wax Protection

RAIN DANCE® Wax+Wash Concentrate makes washing & protecting your car's finish fast and easy. RAIN DANCE Wax+Wash contains surface-active agents for thoroughly washing your car's exterior. It also contains carnauba wax, one of the finest natural waxes in the world, to help protect all exterior finishes, including clear coat paints. With **RAIN DANCE Wax+Wash**, waxing and washing are combined into one easy step, saving time and effort. Safe for all finishes.

Directions: Use on a cool car, preferably in the shade. **1.** Pour 1 oz. per gallon into clean pail. Fill with heavy jet of water. **2.** Hose off loose dirt from car to help prevent scratching. **3.** Swab on liberally and firmly with sponge or soft cloth, washing and rinsing with clean water one section at a time. **4.** Car will drain dry, but to avoid possible water spots on flat areas, wipe with clean, dry cloth or chamois. **NOTE:** Use in an area that allows for evaporation of runoff and prevent entry into storm drains, streams or any body of water.
