RAIN DANCE Premium Car Wax Stock No. 02456

LONG-LASTING WATER-BEADING SHINE

RAIN DANCE® Premium Car Wax is an easy to use formula that removes embedded dirt, stains and oxidation while coating your vehicle's paint with a long-lasting, water-beading protective barrier. After waxing, you can see the famous Rain Dance high angle water beads form then roll off the paint surface leaving a brilliant, reflective shine. The world-famous formula blend contains only the purest grades of natural carnauba & other durable polymer waxes that seal a car's finish for maximum protection, & block out damaging elements that fade paint and can damage and cause oxidation.

- ▲ Long-Lasting Brilliant, Reflective Shine
- ▲ Easy On and Easy Off
- ▲ Removes Dirt & Stains
- ▲ Restores Color & Luster
- ▲ Clear Coat Safe
- ▲ Safe for Fiberglass

Directions: 1. Wash & dry car to remove surface dirt. 2. For best results, apply a thin, even coat of Rain Dance with a circular motion using a damp pure cotton terrycloth applicator – one section at a time. 3. Dry to a hazy white. 4. Wipe off with a clean, soft cloth, turning frequently. Buff lightly to achieve a brilliant, reflective shine. **NOTE:** Do not use in direct sunlight or if surface is hot to the touch. Not recommended for use on vinyl, metalized plastic trim, simulated wood, decals, rubber bumpers or flat paint surface. Use RAIN DANCE® Wax+Wash to wash & protect car's finish fast & easy. Contains surface active agents for thoroughly washing car's exterior & carnauba wax to help protect car's paint between waxings.

PHYSICAL PROPERTIES

Size:	14 oz (397 g)	Cases per pallet	154
Package:	Metal Can	Cases per layer	22
Boiling Point:	Not Determined	Layers per pallet	7
Flash Point:	117° F (47° C)	Cube	0.2
Specific Gravity (H ₂ O=1):	0.90-0.92@25°C	Case Weight	7
Appearance:	Blue Paste	UPC on bottle:	0 89269 02456 9
Solubility in Water:	Insoluble @ 25°C	UPC on Carton:	1 00 89269 02456 6
