# 05140

**Safely Cleans All Finishes**  
**Easy On! Easy Off!**

All waxes promise performance, but the secret to achieving a quality shine with long lasting protection begins with a wax that effectively cleans. Rally LiquiCream Wax is specifically formulated to revive car finishes without harming the paint, especially the new clearcoat finishes, before laying down a mirror-like protective shine...*the fast – easy way to a rich, beautiful shine*

- Cleans safely
- Shines & protects
- Safe for all finishes, including clearcoat
- Revives car finishes without harming the paint

**Directions:** 1. Wash car, dry completely. 2. Shake well. 3. Apply light coat of Rally using damp cloth. 4. Allow wax to dry to a haze. 5. Buff with a clean, soft cloth. Turn cloth frequently. For best results, use a car wash concentrate like Rally Car Wash or No.7\* Powdered Car & Truck Wash.

**NOTE:** *Not recommended for use on vinyl tops, metalized plastic trim, decals, flat black paint, or simulated wood panels.*
