No.7 Car & Truck Wash Concentrate is the complete car and truck wash: fast and efficient for the entire car, including vinyl tops, windows, and chrome. It's strong enough to float off dirt and grime without harming finish or waxed surfaces.

- Removes dirt film & leaves a clean, bright finish
- Phosphate-free & bio-degradable
- Fast, efficient cleaner for all car finishes
- Won't remove wax or harm polished surfaces
- Safe for truck lettering, graphics, and decals – won't cause fading or peeling
- Double duty: great as household cleaner for walls, woodwork, windows, floors & tile
- Economical: 8 oz. container –16 washes  
4 lb. & 16 lb. containers–32 washes per pound
- Also good for outdoor plastic furniture

### No.7 – America's standard in car cleaning for over 50 years!

**Directions:** 1. Put one heaping tablespoon into clean pail. Add 2 gallons of water...use heavy jet of water or stir to make foam. NOTE: Make up new solution for each car. 2. Apply solution liberally with sponge and rub to remove road film. Wash one section at a time. 3. Rinse promptly with plenty of clean water. Car will drain dry. However, to avoid water spots, wipe flat areas with clean, dry cloth or chamois. NOTE: Do not wash car in sun or if finish is hot.
