car wash
LIQUID CONCENTRATE
Stock Nos. 82300 & 82364

Rich Foam Shampoo Lifts Off Dirt Fast

Rally Car Wash Liquid Concentrate is strong enough to float off dirt and grime, but gentle enough so it won't harm finish or waxed surfaces. The rich foam shampoo and pleasant fragrance will last for the entire car wash. It rinses easily without spotting or streaking.

- Safe for all finishes
- Won't strip or dull waxed finishes
- Cleans & shines
- Biodegradable
- 16 oz. container – 16 washes
- 64 oz. container – 64 washes

Directions: 1. Pour 1 oz. into clean pail. Fill with heavy jet of water. 2. Hose off loose dirt from car. Swab on liberally and firmly, washing and rinsing one section at a time. 3. Car will drain dry. To avoid possible water spots on flat areas, wipe with clean dry cloth or chamois.

NOTE: Not recommended for use in direct rays of hot sun or if finish is hot.

After washing, use Rally Cream Wax (can) or Rally Liqui-Cream Wax (bottle). It's the fast and easy way to shine your car.
