

TECHNICAL DATA

Anti Aging

Ultimate Diesel Fuel System Cleaner

Stock No. C-2250

Synthetic Metal Treatment-not a lubricant, additive or petroleum based

Cyclo Anti-Aging Ultimate Engine Treatment helps significantly reduce friction up to 650% while keeping the engine clean. Does not contain paraffin's and can be used in multiple applications.

DIRECTIONS: Add 2oz per quart of oil for first treatment and at every oil change. Draining first is not necessary-Engine Treatment is absorbed into the metal. If using as treatment for heavy-load boundary greases and lubricants, use a mixture with up to 20% engine treatment.
