

Wheel Cleaner

Stock No. GY1010

TECHNICAL DATA

CLEANS BRAKE DUST, DIRT & GRIME

GOOD YEAR Racing Wheel Cleaner removes tough brake dust & road grime without harming the wheel or hub cap. This tough formula breaks down dirt: it penetrates, dissolves and lifts the dirt.

- ★ Power Deep Cleaning
- ★ Safe for All Wheel Surfaces
- ★ Biodegradable

NOTE: Read wheel manufacturers care guidelines prior to use on your wheels.
Directions: **SHAKE WELL.** 1. Apply liberally to one wheel at a time. 2. Let stand no longer than 15 seconds. Dirty wheels may require agitation with a brush. 3. Rinse thoroughly with a strong stream of water. 4. Dry wheels with cotton, terry cloth towel after use. If needed, repeat the procedure. Do not use on motorcycle wheels or non factory painted wheels. Keep off brake parts, rotors and calipers.

PHYSICAL PROPERTIES

Size:	24 fl oz (1 pt 8 oz)	Cases per pallet	116
Package:	Plastic Bottle	Cases per layer	29
Flash Point:	None	Layers per pallet	4
Boiling Point:	212°F (100°C)	Cube	0.45
Specific Gravity (H ₂ O=1):	1.09	Case Weight	10.36
Solubility in Water:	Complete	UPC on bottle:	0 89269 01010 4
Bottles per Case:	6	UPC on Carton:	1 00 89269 01010 1
