

TAR & BUG REMOVER Stock No. 15120

FOR ALL CAR FINISHES

This low VOC formula is a water based, synergistic mixture of heavy duty surfactants that create the proper HLB (hydrophylic/lipophyllic balance) for emulsification and a co-solvent degreaser. The co-solvent is both oil and water soluble so it will effectively and safely dissolve oil based and other stubborn stains and allow the heavy duty surfactants do emulsify the stain thereby permitting it to be rinsed away.

- Quick & easy cleaner for dissolving and removing tar, sap, bugs, bird droppings and road oil.
- Excellent for removing undercoating, car wax, or glaze and silicone polishes before repainting.
- Ideal for all car paints including new multilayered and clearcoat finishes.

No.7 – Professionals’ choice in car cleaning since 1959!

Directions: 1. Moisten clean cloth pad with Tar & Bug Remover. 2. Rub surface lightly until clean. 3. Wipe dry with a clean, soft cloth.

NOTE: Remove tar and road oil as soon as possible since they harden with age and can stain finish permanently. Best not to use on hot surfaces or in direct sunshine

PHYSICAL PROPERTIES

Size:	8 fl. oz. / 236 mL	Cases per pallet	240
Package:	Plastic bottle	Cases per layer	30
Appearance:	blue liquid	Layers per pallet	7.5
Solubility:	Miscible	Cube	0.24
		Case Weight	7.6
		UPC (Bottle)	0 89269 15120 3
		UPC (Carton)	1 00 89269 15120 0
