

HEAVY DUTY

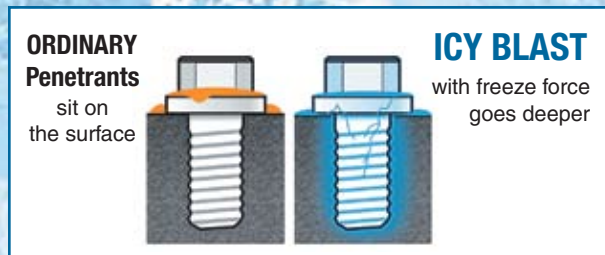

# Break Away - Icy Blast

Icy spray cracks through rust for deeper lubricant power.

Cold spray freezes metal surface to crack and blast apart rust and corrosion. Lubricant goes deep to free stuck and stubborn parts.

- Works on locks, bolts, nuts, fasteners, hinges, joints and more
- Spray reaches into cracks & corners
- Corrosion inhibitor
- Displaces water

Use on engines, machines, plumbing equipment, marine equipment or anywhere parts are not responding to ordinary penetrants.
