## Glass Clean plus Rain Repellent

### Benefits + Features

- YEAR-ROUND PROTECTION - use during winter to help shed windshield ice, use all year to repel water
- Beads water, rain, mud & splashes immediately
- Easy to use – no build-up with repeated application, no excessive buffing necessary
- Less friction on windshield helps increase lifespan of windshield wipers - "less friction, less wear"
- Pleasantly scented, no-run streak-proof foam

### Directions

For best results, do NOT spray on hot surfaces.

1. Shake well
2. Hold can 8" to 12" away from surface.
3. Spray liberally.
4. Wipe dry with a clean cloth.

NOTE: Recommended for use on exterior side of vehicle windows only
