

HEAVY DUTY

METAL PARTS PROTECTOR

Indoor/outdoor salt & corrosion protection of metallic surfaces.

Resists rock & gravel abrasion. Protects from salts & chemicals in humid/wet environments. Transparent film seeps into seams & crevices.

- Remains pliable - won't crack or chip
- Weatherproof & waterproof
- Removable with solvent
- Penetrates & lubricates rust
- Does not attract dust
- Displaces water
- Will not sling off
- Flexible to -40° F (-40° C) non-flowing to 275° F (135° C)

For use on all metal parts, chains & tools, farm machinery, transport & storage, marine applications, construction equipment, pipes and more.
